

Lone Star Flight Museum – Sat., Sept. 30, 2023

5 – 10 p.m.

Boots On...Wheels Up!

The 6th Annual Hangar Bash is a *Honky Tonk* and will feature the barbecue, music, fun and ice-cold craft beer. Along with all the fun and food, plane tours and exhibit fun are on this party flight plan, and the live entertainment will play the country & western favorites we all know and love.

At the Lone Star Flight Museum, we believe aviation inspires achievement and endless possibilities. Our goal is to create a sense of wonder and excitement about aviation for every visitor! As we continue to grow and expand our programs, we are also working to be a much more supportive part of our community and serve families, students, seniors, members and tourists that are looking for a cool museum and some (aviation) entertainment. Funds raised from Hangar Bash help us do that.

Join in this line dance and become a Hangar Bash Sponsor.
